## TNT@TNU Philosophy

The subject for spiritual gifts is one that the apostle Paul considered important enough to address at length three times in the New Testament. His words are strong: the gifts are given by the Spirit based on God's grace, not our own worthiness, and are given for the good of the whole body of Christ; gifts are from the Spirit and should serve to unify, not divide, us; the use of gifts to help the user and the recipient grow to maturity and stability in the faith. Perhaps his strongest admonition is in Romans 12:6, where he says (paraphrase), "If you have a gift, USE IT with all the spiritual power you have!"

The principles used here can also apply to the use of one's talents. Our talent is a gift from God, and an indication of His grace, not our specialness. Our talents are to be used to help the church. Our goal is unity and maturity. God expects us to develop and use the talents we have to become the best we can be, with his power flowing through us as our spiritual resource.

TOP NAZARENE TALENT is a vehicle by which talent can be developed, channeled, and used for Jesus. Teens are in a tug-of-war; the world wants their talents, their very lives - and so does the Church! We must be diligent to provide the quality of opportunities for personal development that challenge youth to their fullest potential, realizing that when they do so IN CHRIST, the rewards and fulfillment have the eternal significance that the world cannot offer. There is no room in the Kingdom for half-heartedness in the cloak of false humility - we must urge our teens to reach for the stars, because they know the One who made them!

PERSONAL DEVELOPMENT is a necessary part of TNT, yet within the context of being all we can be *in Christ*, it is not for personal gain. COMPETITION is also a part of TNT, yet again within a Christian understanding. When I compete, I compete against what I know I can do. If I do my best, I am a winner. Competing with others helps me try harder. Runners will tell you that the better times are set when one is running against competition, rather than alone. My attitude toward my competitor must first reflect that we are there to help each other become better. If he receives the trophy, I am a part of his victory, because I helped him to run faster, sing better, jump higher. If I receive the award, I feel the same about him.

Trophies and awards provide a secondary motivation, realizing that such is necessary to this stage of adolescence, and helps the process. Yet of primary importance is that I know that I am better, and that everyone else is better, because I have participated. Since Jesus is the source of talent for all of us, I can rejoice in Him for the talent of all. I can rest assured that He will use me (and others) in the place where my talents can best function, and be happy for that, rather than becoming bitter because someone else has more talent in a certain area than I have.

It is extremely important that NYI leaders work with young people (and parents) in understanding the Christian view of competition. We cannot shield our youth from competition -- they are now, and will continue to be involved in competition in their lives in school, job, etc. What we must do is help them come and function effectively, and with a Christian perspective in the midst of it.

What are some of the implications? A Bible quiz director who emphasizes the importance of the scriptures and a love for the "neighbor" team on the 20th question when the score is tied...A teen who takes the time to compliment each person in his vocal competition event after they have performed, even though his own was clearly superior...A basketball coach who deals more with how his guys play together and handle themselves, than teaching intimidation or complaining about officiating...A tennis coach who cries with the person who lost the finals, yet also helps her hold her head up with confidence in her own God-given ability. A sponsor who, instead of challenging an obviously unfair decision, helps the teens under his supervision understand that, though life is not always fair, we can do all things through Christ. A District President who, after a lost volleyball match, witnesses to the girls about God's love and strength. I have seen all of these in TNT at TNU competitions, and know that those teens involved carried away perspectives about competition forever changed by their experience.

Thirdly, Top Nazarene Talent is LOCAL INVOLVEMENT. As is true with all NYI efforts, everything we do at all levels is geared to involve that local teen in an on-going, year long ministry. TNT is not just a time when each district heads up to Trevecca for a single weekend of fun and competition. TNT is a process of involvement in talent

development from the local church to the zone to the district to the region and back to the local church. At whatever level a teen operates and achieves, he is a winner.

The district TNT coordinator and competition directors must do all they can to help local churches develop TNT participation in their church. It may begin as early as summer, then with the district convention, then the zone tour, with workshops, with festivals, with whatever means they may have to promote teens finding their talents and developing them for Jesus. The district TNT event then becomes more than a "once-a-year, hang up a sign, and let's see who goes to Trevecca" day; it becomes the culmination of what has been happening in local churches for months prior. TNT at TNU provides a final climax to a year's work, but also is a "launching pad" into TNT for the local church for the next year as teens return to their churches "fired up" and ready to do more.

This is why each level of TNT must be able to stand alone, have merit, and be valid in itself. Trophies and awards should be given at the local, zone, district and regional levels. If a teen does not "advance" to the next level of competition, whatever he achieved in the level he did is significant. More teens will be involved, and more talent will be developed.

Districts receive the eternal rewards for the number of teens who made an effort to participate and improve, no matter whether they ever win the TNT@TNU grand trophy.

Finally, Top Nazarene Talent is TRAINING FOR LEADERSHIP. This area is where we have won or lost the battle for the church twenty years before we realize we fought it. Some of us remember the "good 'ole days" of NYPS service. The programs weren't always that good, but what happened inside of us was. The NYPS hour was largely abandoned in our media-blitzed age. Yet TNT can fill the void in helping our teens become equipped for leadership, in public ministry, in discipline, and in working well with others. Whether it's singing, public speaking, creative writing, art, math/business, sermon (Bible exposition), or quizzing, a teen is developing his own leadership skills. Even individual and team sports provide an arena of leadership development that will "plug-in" to the church now and for years to come.

With all the modern conveniences of our day, teens can be bored easily. TNT can be an element of the total NYI program that can challenge them. Being a part of the TNT program at all levels can be exciting!

What does it take to make it happen? As in all other programs within the total ministry of Nazarene Youth International, good adult leadership is SO important. The good news is that teens are not the only ones who reap the benefits of being involved in TNT. As leaders, adults can grow from TNT. Let's make it happen!

Subject: **2011** Competition Handbook Update

What a thrill it is to see talents and abilities developed and dedicated to our Lord Jesus Christ! That's what the TNT@TNU (Top Nazarene Talent @ Trevecca Nazarene University) program is all about. Since 1986, hundreds of teens have used participation in TNT at local, district, or regional level as their tool in striving for excellence in Bible quizzing, sports, music, communication, and academic endeavors.

Not only does TNT at all levels encourage the development of talent, it also helps develop churchmanship and leadership, provides for new friends and fellowship, and often opens avenues for evangelism and discipleship among youth. As youth get involved in local, zone, or district competitions, an *esprit de corps* happens that ties them more closely to each other, to the church, and to the Lord. As youth attend TNT@TNU, they also have the opportunity to continue their commitment to excellence at Trevecca Nazarene University after their high school graduation.

This competition handbook lays out the various categories, rules, and structures of the TNT@TNU competition. Most district and local competitions will be held along the same format; check with your district NYI president or TNT coordinator for any variations. This handbook is effective for the **2010-11** competition year. TNT@TNU **2011 will be April 7-9, 2011**. For information on your district TNT events and procedures for registration for TNT@TNU, contact your district NYI leaders.

The TNT@TNU key verse is Proverbs 27:17: "As iron sharpens iron, so one man sharpens another." May it be so for Jesus' sake!

3. Entrants can compete in no more than **THREE** categories, including a maximum of **TWO** tournament-style events (quizzing, basketball, soccer, softball, volleyball, flag football, table tennis, or tennis). Display events (art, creative writing, video production) and participation in vocal choir are not counted toward this limitation. ***Exhibition events would not apply to toward the "THREE" categories.***
4. Regular event scheduling takes precedence over exhibition event scheduling.
5. All entrants must be pre-registered by the district they represent in the event in which they are to compete.
6. Pre-registrations must be received by Tuesday, **March 14, 2011**.
  - Substitutions can only be made at the registration office prior to the opening activity of TNT@TNU by Wednesday, **April 6, 2011** [5:00 p.m. CST].
  - Golf registration must be in no later than **March 7, 2011**.

Each entrant must have competed in a district TNT event. Those who place first at the district TNT event qualify to compete at TNT@TNU. Should the first-place finisher be unable to compete, the spot vacated must first be offered to the second-place finisher in that event, then the third-place finisher in that event. Should none of these persons be unable to compete, then the district may bring another person who competed at the district event without award, regardless of the event in which he or she competed. Should none of these be available, the district shall not compete in that event. (Math, accounting, web page design, 5K cross country run, and golf are open events, meaning that anyone who competed at the district TNT event in these events is eligible to compete in that event at TNT@TNU.)
8. In bracketed events, competitors will have a five minute grace period from the time the match or competition slot is scheduled to appear and compete. If a bracket is running late so that the match or competition slot is five or more minutes behind, there will be no additional grace period.

**TNT @ TNU**  
**Conduct Guidelines**

## **PERSONAL APPEARANCE**

The Trevecca Nazarene University community affirms that the appearance of students has a positive correlation with the development of self-discipline. Christian simplicity, modesty, neatness and cleanliness are emphasized in dress and overall appearance. No list of guidelines answers all questions, provides solutions for all situations, or satisfies all members of the community. Certainly for any dress policy to be effective, common sense and personal discretion from all members of the community are essential. Community dress and grooming should be consistent with, and contribute to, a vital Christian community witness. The following guidelines will be helpful:

- Clothing should be appropriate to the occasion and in good taste. Personal appearance should not disrupt the mood or atmosphere of the activity being attended. Shirts or tops must be worn at all times.
- Some examples of clothing that would be inappropriate for the campus are listed below:
- Tight-fitting pants or shorts, bare midriff, or tank tops and other immodest tops are generally prohibited. Shorts and jerseys may be worn for physical education activities such as basketball as appropriate.
- The wearing of any item of clothing bearing emblems and verbal messages is permitted providing the message is compatible with the guidelines of the University and the Church of the Nazarene.
- Shoes must be worn in all campus buildings.
- All students must be in their hotel rooms by midnight every night during TNT.

## **BEHAVIORAL STANDARDS**

Trevecca Nazarene University is a direct subsidiary of the Church of the Nazarene, and as such, students, faculty, staff, and administration *are* expected to abide by the guidelines established by the Church.

Alcohol: The University recognizes the danger to the safety of others, and one's ethical responsibilities resulting from the use of or possession of alcoholic beverages and therefore insists that all members of the University community abstain from possessing or using them.

Drugs: Trevecca Nazarene University forbids the use, possession, distribution of *marijuana*, narcotics, or other dangerous drugs. The medical use of drugs may be permitted when prescribed by a licensed practicing physician.

Language: Vulgar, foul, or profane language will not be tolerated on campus.

Tobacco: The University recognizes the danger to health in the use of tobacco products, and thus prohibits the use or possession of tobacco at any time and insists that all members of the University community abstain from the use or possession of any tobacco products.

Disruptive Behavior: Students who manifest disruptive or violent conduct which includes any type of threat to personal well being will be subject to disciplinary action.

**EVENTS:**

"A" LEAGUE QUIZZING

"B" LEAGUE QUIZZING

**RULES**

TNT Bible Quizzing shall be conducted according to the current Rules for NYI Bible Quizzing, produced by NYI Ministries. Any variation must be approved by the Regional NYI Council and announced to the Competition Organization Meeting (coaches and captains) prior to the beginning of the competition at TNT@TNU.

**GUIDELINES OF THE COMPETITION*****"A" LEAGUE QUIZZING***

1. The Regional NYI Quiz Director shall arrange for quizmasters, content judges, scorekeepers, and officials, in cooperation with the TNT@TNU Director.
2. A round robin format shall be used, with every team competing against every other team at least once. The six teams with the best win-loss records advance into a double-elimination finals.
3. Each district may register one team, with a maximum of six quizzers. Only five may compete in any one quiz.
4. Awards will be given to the members of the first, second and third place teams, to the Top Ten Individuals, and to the Regional Quiz Team that is selected at a later date. Scholarships to TNU will be given to the Regional Quiz Team, except in NYC years, when Scholarships will be based on the A-League round robin individual standings.
5. Selection of the Regional Quiz Team:
  - In all years except in which the Regional Quiz Team(s) will compete at Nazarene Youth Congress, the -Regional Quiz Teams will be selected using a Top Twenty-Four Quiz off. These Twenty-four quizzers would consist of the top eighteen (18) individual quizzers from the A-League and the top six (6) individual quizzers from the B-League.
  - In all years in which the Regional Quiz Team(s) will compete at Nazarene Youth Congress, the -Regional Quiz Teams will be selected using a Top Twenty-Four Quiz off. These Twenty-four quizzers would consist of the top eighteen (18) individual quizzers from the A-League and the top six (6) individual quizzers from the B-League. This method may be changed in advance of the tournament by the Regional Director due to pre-registration requirements of NYC. If so, the Regional Bible Quiz Director will limit the quiz-off to students registered for NYC and notify all district directors of the changes.
6. A quizmaster, a content judge, and a scorekeeper will serve in each of the three quizzing areas. Each district must bring an official to serve the tournament; officials will be rotated in and out.
7. Any interpretations and clarifications of quiz rules and matters of style by the quizmasters involved will be communicated to the District Quiz Directors, either prior to the tournament or during the Competition

Organization Meeting. The Regional Quiz Director may make these items available to all district quiz directors during the quizzing year.

8. Any appeals are to be made to the Rules Committee (Quiz Board of Directors, Regional Quiz Director).
9. Structure and schedule flow of the Bible Quiz Tournament are subject to the overall direction of the TNT@TNU event.
10. In the event of a multiple team tie the following tie-break system shall be used:
  - a. First Tie Breaker - head to head records. If all teams are still tied then...
  - b. Second Tie Breaker - there will be a quiz off for those teams to determine placing.

### **“B” LEAGUE QUIZZING**

This event is designed to provide exposure for quizzers who have little or no experience with TNT@TNU Quizzing and to provide opportunity for further development of interest among teens in the Bible Quizzing program. It is the hope that B League Quizzing will provide participation of some teens in the level of quizzing competition at TNT@TNU who normally would not be involved at this level.

The following quizzers are eligible to quiz in B-League:

- First or second year quizzers only. If a quizzer is not eligible for TNT@TNU in their first year of competition due to age restrictions (not being 12 years old by December 31 of the previous year), the first year of quizzing does not count against the quizzer's ability to quiz in B-League for two years.

This should not be construed to forbid first or second year quizzers from participating in A League. If a first or second year quizzer qualifies for A League, he or she should quiz in A League.

Note: In the event that a district is unable to field a B-League team without the participation of individuals who fall into one of the above categories, exceptions will be made with the approval of the Regional Quiz Director in consultation with the remaining District Quiz Directors, and the Regional NYI President. Format of this competition will be sent to District Quiz Directors prior to TNT@TNU.

MEN'S BASKETBALL

RULES

1. The men's basketball tournament shall be conducted according to NFHS Rules. (<http://www.nfhs.org/content.aspx?id=3297>) (variations below). State certified officials shall be used. Persons currently coaching basketball at Trevecca Nazarene University cannot be used as district coaches.
2. Each game shall consist of two sixteen minute halves. The game clock will stop only on shooting fouls and time-outs, until the final two minutes of each half, when all rules for stopping the clock will be observed. Each team will be allowed two time-outs per half, which may not be carried over. A two minute overtime period will be used in case of a tie at the end of regulation. There will be a five minute warm-up period, and a five minute halftime.
3. No full-court pressing will be allowed by a team 20 or more points ahead. One warning will be issued per game; thereafter a technical foul violation will be called on a team.
4. Good sportsmanship is to be displayed at all times. Referees and officials are to be respected at all times. Coaches must remove a player momentarily from the game upon said player receiving a technical foul. Cursing, initiating a fight, or the receipt of two technical fouls by a player or coach will result in an automatic ejection from the game and removal from the gym area. The ejected player will also be ineligible to play in the next game. A second offense will result in expulsion from the tournament. No noisemakers may be used by spectators. Sportsmanship is urged among spectators; booing or harassing players/officials is not tolerated.
5. The maximum number on any district men's basketball roster is 12 players (*this includes alternates*).

GUIDELINES OF THE COMPETITION

1. The competition is structured in a pool play tournament. If there is a tie between two teams with identical records, the tie breaker is the score of the game played between the two teams. (head-to-head result) If there are two teams, and no clear victor can be determined through head-to-head competition, then the total number of defensive points given up, the one team with the lowest "point differential" advances. No schedule changes are allowed.
2. Basketball entries may be the team who won the district TNT tournament, or may be a district all-star team. Districts are urged to conduct a tournament, rather than selecting a team by try-outs. Reversible jerseys are recommended; numbers are required. Alternate jerseys will be available to teams without their own, or when contrasting colors with the opposing team are needed.
3. All games are to start as close to the scheduled time as possible. Should a game end later than scheduled, the five-minute warm-up period for the next team will begin immediately after the final buzzer. Competitors will have a five minute grace period from the time the match or competition slot is scheduled to appear and compete. If a bracket is running late so that the match or competition slot is five or more

minutes behind, there will be no additional grace period. Teams that arrive past the applicable grace period will forfeit the game. Any team arriving late will be denied warm-up time.

4. An honorary 10 member all-star team is selected by vote of district coaches and officials. A Most Valuable Player is chosen by vote, which carries a Trevecca Nazarene University scholarship award (Must be a Senior High Youth). Honorary sportsmanship awards may also be given to a team and one individual.

MEN'S SOCCER

RULES

1. The soccer competition will be conducted according to F.I.F.A. rules with exceptions to be listed below. State certified officials shall be used. (<http://www.fifa.com/worldfootball/lawsofthegame.html>)
2. Each game will consist of two twenty-minute halves. The clock will run continuously unless stoppage is deemed necessary by the officials.
3. Each team will be made up of seven players plus substitutes. This would commonly be six field players and one goal keeper. Games will be played on shorter than regulation fields.
4. Christian conduct is expected at all times. Unsportsmanlike conduct will be cautioned with a yellow card. A second misconduct will receive a "red" card resulting in removal from the game leaving the team shorthanded the remainder of the game. The ejected player will also be ineligible to play in the next game. A "gross" misconduct may result in an immediate "red" card, bypassing the initial caution. These are common F.I.F.A. procedures. Harassment of the officials will not be tolerated, and could ultimately result in the forfeiture of a match.
5. The maximum number allowed on the district soccer roster is fourteen (14) players.

GUIDELINES OF THE COMPETITION

1. The competition is structured around a double-elimination competition until the final round. If a team previously undefeated loses in the final game to a team with one loss, the teams would play just as if they had tied at the end of regulation play. There would be two five-minute "overtime" periods. If these periods should end in a tie, there would be up to two five minute "sudden death" periods allowed. If these periods should end in a tie, there would be a "shoot-out" as provided in the F.I.F.A. rules to provide a champion.
2. A district team may consist of an "all-star" team from across the district, or the champion team from district competition. Team jerseys must be clearly, permanently numbered.
3. All games are to start as close to the scheduled time as possible. Competitors will have a five minute grace period from the time the match or competition slot is scheduled to appear and compete. If a bracket is running late so that the match or competition slot is five or more minutes behind, there will be no additional grace period.
4. Coaches will receive a schedule of competition no later than at the coaches meeting. Additional copies will be available at the TNT@TNU information desk.
5. A 10 member honorary all-star team will be selected by vote of district coaches and officials. ***A Most Valuable Player will be chosen by vote, which carries a Trevecca Nazarene University scholarship award (must be a senior high youth).*** A Most Valuable Player is chosen by vote.
